Dear Sir;

I am sure by this time you have heard you are the property of The Newark Eagles. You were purchased from The Cubans. Mr. Pompey has sent me your address.

I asked Isreal to see you and tell you this a few days ago. I am enclosing your contract. Please sign and return one copy to me.

We are leaving for training camp in Daytona Beach Florida on Thursday April 3rd. The bus will come through Baltimore and pick you and Isreal up. I will write you again the exact time and place to meet us.

Very Truly Yours
